VOL 111

The Luxor Ledger is a monthly e-mail news publication providing member information, upcoming events, news about Luxor, and worthwhile tidbits that our members wish to share._

The Grand Krewe of Luxor was established in September of 2004 and was fully incorporated in the State of Tennessee as a non-profit corporation in November of 2004. The name LUXOR comes from the Arabic word el-Uqsar, meaning “encampment of fortification”. Horus, the Egyptian Falcon, is our symbol and our royal colors are red and gold. Spread the word to your friends about the wonderful things we do for our Memphis charities and our fun events!
